We thrive on restoring history through collecting photographs, artifacts, and your memories. Please consider sharing your photos digitally, and your memories which are vital to preserving our history. Do not down play your contribution and let us know if you would like to actively share your story.

I have photos that I would allow KRHA to make digital copies.

I would like to volunteer a small amount of time to grounds keeping.

I have items to share, loan, or donate; please contact me.

I am interested in donating some of my time to restoring cabins.

I have written family memories that I would share.

I would like to help, but I don't know how.
